

infinite lamp

Specification Sheet

The Infinite Lamp is initially cast in plaster and then carved by hand and sealed with varnish. The inner part of the artwork is illuminated by two hidden, dimmable LED lights. The lamp is a part of a Living Forms limited collection of unique & handmade sculptural lamps.

MATERIAL Pigmented Gypsum
 SIZE 69x66x25cm
 COLOR Hazelnut
 BULB GU10
 VOLTAGE 110-230V

*All pieces are handmade, making each piece unique. Inconsistency in shape, texture, color and size may occur due to its natural material and working process.

*Custom colors upon request

instructions

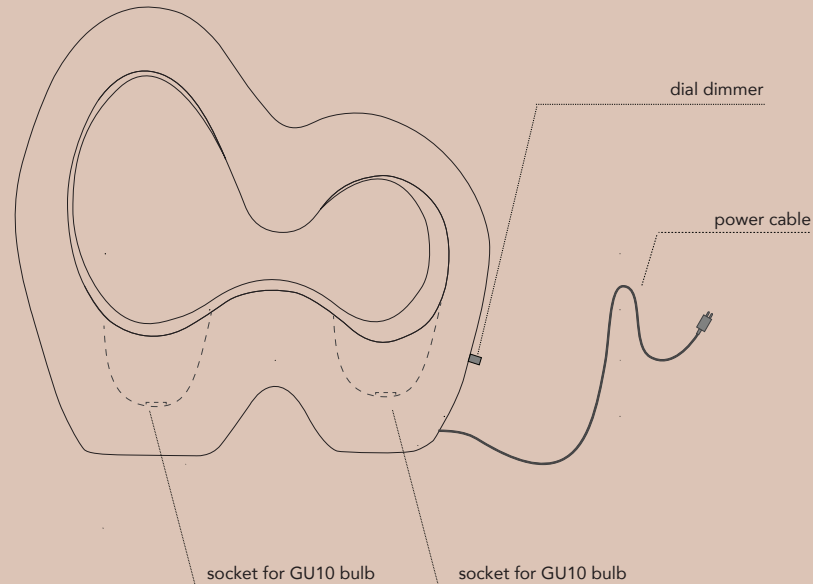

Using the Dimmer:

- To adjust the brightness, turn the dimmer knob to the desired level.
- When dimmed to the minimum level, the lamp will turn off.

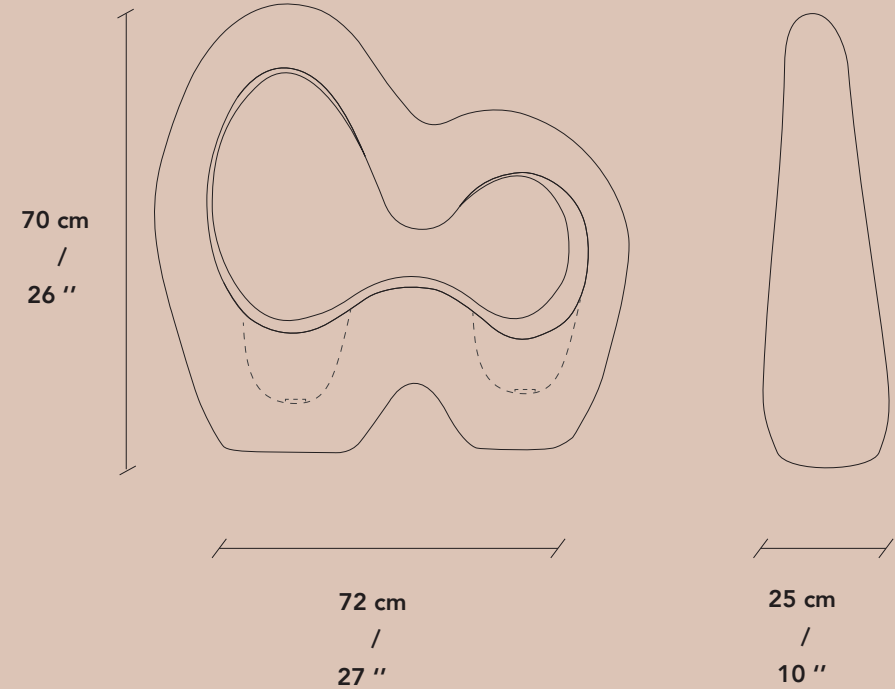

Replacing the Bulbs:

- Ensure the lamp is turned off and unplugged from the power source.
- To remove the existing bulb, turn it counter-clockwise and pull it upward.
- To install a new bulb (LED Only) , insert it into the socket and turn it clockwise until it is securely in place.

maintenance

To clean the lamp, adhere to the following steps: First, turn off and unplug the lamp. Next, gently wipe the surface using a dry, soft cloth, avoiding abrasives. Refrain from employing alcohol-based cleaners, and if needed, utilize a damp cloth. Make sure the lamp is fully dry before plugging it back in. Consistent and proper cleaning can help preserve its appearance and prolong its lifespan.
