bosei

Instruction Manual

The Bosei pendant lamp has been carefully crafted using a layered gypsum technique. The lamp is a part of the Wonder Things limited collection.

MATERIAL	Pigmented Alabaster Gypsum	SIZE	65"x 34"x 34"
METAL	Powder-coated copper	WEIGHT	approx. 200 LBS
COLOR	Pink Beige	BULB	E26 / 3x Tala bulbs
		VOLTAGE	120V

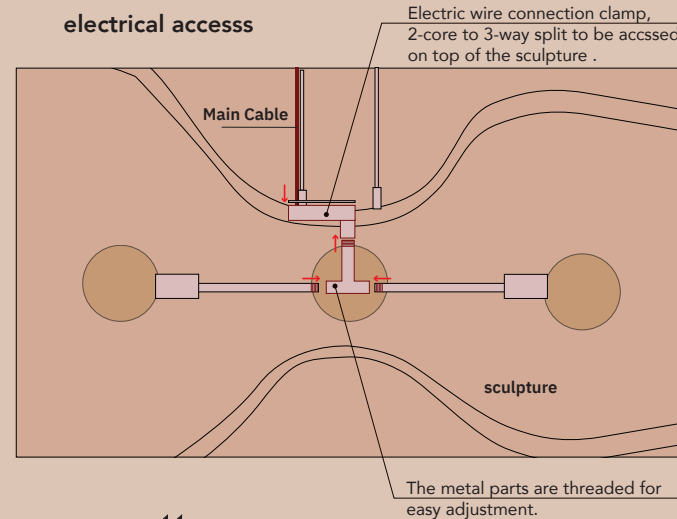

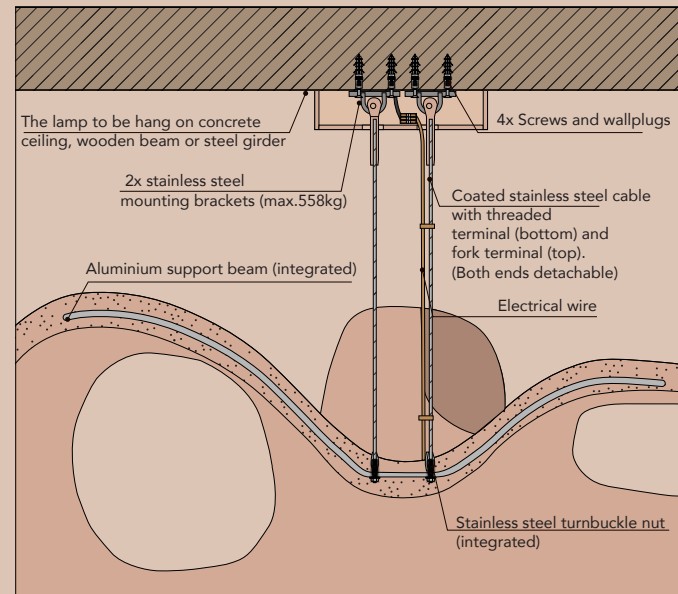

*All pieces are handmade, making each piece unique. Inconsistency in shape, texture, color and size may occur due to its natural material and working process.

safety note:

The lamp weighs approx. 200 lbs. Prior to hanging, we recommend consulting with a contractor to ensure that the ceiling can support its weight. The lamp can be hung only on concrete ceiling, wooden beam or steel girder.

All work must be completed with the electricity disconnected. All connections must adhere to the applicable national regulations. Following the instruction manual is essential for maintaining the warranty. Failure to adhere to the instruction manual may result in equipment damage, fire, or other hazards.

mounting system

installation:

HANGING THE LAMP

Certainly, here is the reworded version of the instructions:

- 01_ Securely fasten the mounting brackets to the ceiling using screws and wall plugs. The lamp can only be hung on concrete ceilings, wooden beams, or steel girders.
- 02_ Place the foam from the packaging crate on the floor at the location where you intend to hang the lamp.
- 03_ Carefully position the lamp over the foam, ensuring you only handle the lamp from its bottom. Attach the canopy to the wires.
- 04_ Raise the lamp until there is a 5-inch gap between the canopy cap and the ceiling. This task should be performed with a minimum of four individuals.
- 05_ Connect the electrical wires from the junction box to the wires inside the ceiling. If you are uncertain about electrical wiring, it is advisable to seek assistance from a qualified electrician.
- 06_ Lift the lamp an additional 5 inches to eliminate the gap between the canopy cap and the ceiling.
- 07_ Hang both wires on the provided mounting brackets.
- 08_ Raise the canopy and securely mount it to the ceiling.

maintenance

To clean the lamp, adhere to the following steps: First, turn off and unplug the lamp. Next, gently wipe the surface using a dry, soft cloth, avoiding abrasives. Refrain from employing alcohol-based cleaners, and if needed, utilize a damp cloth. Make sure the lamp is fully dry before plugging it back in. Consistent and proper cleaning can help preserve its appearance and prolong its lifespan.
